

Ontario County Women's Republican Club

2024 Membership Information

Please visit us at www.ocwrc.com and like us on Facebook!

Our Mission is to unite all Republican women for work in general for the Party.

For just **\$25.00** annual membership fee, an OCWRC member receives or has access to networking opportunities and the ability to meet and develop relationships with likeminded women from across Ontario County and NYS. This includes meetings with candidates and other speakers and events such as:

- **Membership Meeting** – the OCWRC is holding a membership kick-off meeting this **February, 24 at 10:00 a.m. at the Victor Town Hall**. The invitation is available on our website with an RSVP to Bonnie Ross at: (585) 329-5973 or bgr396@gmail.com. Please consider joining us as we discuss the benefits of membership.
- **Candidates** – the OCWRC meets with and supports our legislators as well as Republican candidates in various networking events and meetings.
- **Taste of Fall** – the OCWRC gathers each Fall where members bring their favorite Fall “dish to pass.” Local legislators and candidates are invited to attend this networking and membership event.
- **Honor Flight of Rochester** – the OCWRC holds fundraising breakfasts for the Honor Flight of Rochester with 100% of the proceeds going to benefit this worthy cause. To date we have sent hundreds of veterans on this experience of a lifetime.
- **Operation "Making Spirits Bright"** – the OCWRC works with the Canandaigua VA to gather items to fill stockings for needy Veteran children as well as Veterans that are housebound. These funds also provide support throughout the year for Veteran needs.
- **Holiday Gathering and Meetings** – the OCWRC gathers in December for a cookie exchange and to organize stockings for delivery to the Canandaigua VA. Last year, we filled 350 stockings! In addition, we hold “coffee and conversation” meetings as scheduled by our Ad Hoc Committee.
- **National and State Federation of Republican Women** - Membership in OCWRC includes membership in and information from the statewide women's federation known as the New York State Federation of Republican Women (NYSFRW) and from the National Federation of Republican Women (NFRW). You will be included in electronic communications, such as the website and social media pages, and email communications about events and political information to support elections.
